## Motive 1

"These austerity plans could have been the downfall of our city. I couldn't let that happen."

## Motive 2

"It's the same thing over and over again. He gets all the things that I deserve."

## Motive 3

"How dare he do such a thing to me. He had an affair, the dork!"

## Motive 4

"If he had paid as agreed, none of this would have had to happen."

## Motive 5

"He can't fire me! After all those years and all I have done for him!"

## Motive 6

"I could not let it happen that the beautiful natural area would be destroyed for another industrial estate."

## Motive 7

"He just knew too much."

## Motive 8

"He's been stealing money from the city for years! He can't get away with this!"

## Motive 9

"I was going to lose the election to him again. This was my only chance of victory."

## Motive 10

"He was at the wrong place at the wrong time. I had no idea it was the mayor of the city."
